CALIFORNIA LEGISLATURE—2003–04 REGULAR SESSION

ASSEMBLY BILL

No. 1546

**Introduced by Assembly Member Simitian
(Coauthors: Assembly Members Mullin and Yee)**

February 21, 2003

An act to add Chapter 2.65 (commencing with Section 65089.11) to Division 1 of Title 7 of the Government Code, and to add Section 9250.5 to the Vehicle Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

AB 1546, as amended, Simitian. Local governments: vehicle fee for congestion and stormwater management programs.

Existing law provides for the imposition by air districts and other local agencies of fees on the registration of motor vehicles in certain areas of the state that are in addition to the basic vehicle registration fee collected by the Department of Motor Vehicles.

This bill would authorize the City/County Association of Governments of San Mateo County to impose an annual fee of up to \$4 on motor vehicles registered within San Mateo County for a program for the management of traffic congestion and stormwater pollution

within that county. The bill would require the City/County Association of Governments of San Mateo County to have an independent audit performed on the program and to provide its findings to the Legislature. The bill would require a program with performance measures and a budget before the fee may be imposed. The bill would require the Department of Motor Vehicles, if requested, to collect the fee and distribute the proceeds, after deduction of specified administrative costs, to the association. The bill would require that the fees collected may only be used to pay for programs bearing a relationship or benefit to the motor vehicles paying the fee, and would require the board of the association to make a specified finding of fact by a 2/3 vote. The fee would terminate on January 1, 2009.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Chapter 2.65 (commencing with Section
